3	Стадия осмысления «Что можно изменить в современной школе?» Проверка домашнего задания	So you see there are many opinions about school. It is natural that school is an endless topic for discussion. And we are going further. You hometask was to summarize the opinion of people on a forum http://media.iearn.org/forum/activities/schools dealing with school issues. Your task was individual and now I want you to share what you have found out. So, what questions were discussed? -Is playing important for students? -Is playing important for students? -Should breaks be longer or shorter? -Should students have weekends off from school? -Tests: more or fewer? -What are the most stressful situations at school? So now we know public opinion on these questions. By the way, what other problems of modern school can you name? But do you like you school? Are you glad to study here?	2 8	Материал для обсуждения представлен на Интернет форуме <u>http://media.</u> iearn.org/forum /activities/ schools

5	Обучение Письменной речи Работа с компьютерным тестом е-mail «Моя школа»	Last Friday we were writing letters to our friends abroad about our gymnasia. But one letter wasn't sent as there were some gaps, I got the message that your e-mail wasn't delivered and now I want you to restore it. Take your seats at the computer, you have to fill in the gaps using proposed options. By the way on the forum I came across one more question about influence of music on the process of studying, there is an opinion that pupils do work better if they have music playing in the background. It helps to concentrate better. So don't forget to tell me about your results	7	музыкальный фон Тестовое задание создано при помощи программы "Hot Potatoes"
6	Релакс-пауза	And now I want you to relax, we'll do a short on-line test	3	Тест взят на сайте www.manythings. Org/lulu
