People think that English food is bad, but it is not always right. The English like vegetables and potatoes. They also eat a lot of meat. If you don't like traditional English food, you can go to one of numerous restaurants. These restaurants cook food of different countries of the world. You can have an English breakfast, a French lunch and an Italian dinner in one day. The tea, of course, is one of the most famous things about England. Teas in this country are always very good and pleasant. There is a tradition to have tea at about five o'clock every day. The English usually drink their tea with some milk in it. You can have some biscuits or a lovely cake with your tea. And you usually talk about different things over a cup of tea with your family or friends.
